

2026 CALL FOR ENTRIES

Engineering Excellence Awards

ELIGIBILITY

ACEC-NH member firms engaged in the practice of consulting engineering in New Hampshire are eligible to enter the awards competition.

- Firms may obtain permission from the client/owner prior to submission.
- Projects must be substantially completed or publicly disclosed by the client for use between November 1, 2023–October 31, 2025
- A firm may submit multiple entries.
- Sub-consultants are eligible to submit, provided they coordinate with the prime consultant and all team members.

ENTRY FEES

Project Entry Fee	\$ 325
Each Additional Firm in Entry	\$ 100

IMPORTANT DATES

ACEC-NH Submissions Due	Jan. 9, 2026
ACEC-NH Judging	Feb. 2026
ACEC-NH EEA Banquet	Mar. 2026

RATING GUIDELINES

Each entry will be evaluated based upon the following criteria:

- Uniqueness and/or innovative application of techniques
- Future value to the engineering profession and enhanced public awareness
- Social, economic, and sustainable development considerations
- Complexity
- Successful fulfillment of client/owner needs

Describe in layman's terms why this project is worthy of special recognition addressing factors that highlight the above criteria.

HOW TO SUBMIT AN ENTRY

A completed entry form, synopsis, executive summary, digital panel, and project pictures must be received by ACEC-NH on or before January 9, 2026. These materials must be submitted online by visiting: www.acec-nh.org.

2025 EEA Overall Winner

Stantec

Strafford Square Intersections Improvements
